Chapter 1 by Shannon Brady

I am Miko Abrite, and I am about 10 years old. And my life is difficult. I have tons of secrets that I mustn't tell anybody! And if I do, I will be captured, or at least, tried to be captured, by Professor Lati (La-tea). He knows about the powers, but he doesn't know where the school is. We have powers that no one knows about, but the school I go to, where I learn how to use them. I do learn about humans and how they work and stuff. I also go to a class, so I can learn what humans learn. Anyway, let me tell you about me! I am a girl, and I have brown hair with curls at the bottom. I am about 4 ft 5 inches, so I guess I am medium. I have green eyes, very pretty. My voice is soft and sweet, but I can turn into a real horror, real quick! And our Siko (See-ko), which is someone with every power, is our leader! And she or he teaches us everything we need. And, I always dreamed of being one! But, it will never happen. My only powers are, flying and ice! Very little powers. "Miko! You have a letter! Well, letters!" Mama called.

I love it when I get letters! It reminds me of the Siko, if I get a letter to be it, I will be granted with every power! I walked over to the door and opened it slowly, I stepped out and started to run. "Mama, where are my letters?" I asked.

Mama, handed them to me and I was so happy! What could it be? I rarely get letters, so I am usually super excited when I get them. I was holding 2 letters and I tore one open, it wasn't anything special, just a message from the school. I noticed that the other one was red, with a ribbon around it, a yellow ribbon. I carefully tied the ribbon off and carefully opened the envelope. I read the letter and here was what it said.

IT TO ME, NOW! And I was like, no, I only give it to those who deserve it. They all seemed greedy! When I saw your name, I smiled. I knew someone like you deserves it. So, I am here to ask you the question, will you take my offer to be Siko? Please answer back soon!

Judy Bell

I was amazed, I get to be Siko! So, I wrote a letter back, all it said was yes, I will take it, but only if you are fine with it, I don't want to steal. But I could not wait, so I called her and she was like I am going to send it to you and blah, blah, blah. So, of course, being me, I yelled, "I AM THE SIKO! I AM THE SIKO! I AM THE SIKO! SIKO KELLY!"

My family looked at me, and laughed. I went to my room and I loode at my bed Remember? Powers! She made it appear in my room. Well, that was a guess. But I had to check! So, I ran up the stairs and opened my bedroom door. And I saw it, I ran over to it, and I opened it. It was a red box with the cloak and a charm in there. I took out the charm and put it around my neck. Soon, I was floating in the air. "I AM SIKO!" I yelled.

I was Siko. Siko Miko.
